

**IT'S NEVER TOO LATE TO
START SAVING FOR RETIREMENT.
NEVER TOO SOON, EITHER.**

PUT FIDELITY TO WORK ON YOUR RETIREMENT GOALS.

Thank you for your recent inquiry about retirement savings at Fidelity Investments.

We can help you realize your retirement goals through a variety of resources and investing vehicles. Among them are:

- **A full range of retirement account options** – including Roth and Traditional IRAs, SEPs, SIMPLE-IRAs, the new Self-Employed 401(k), and annuities
- **Robust online planning tools and resources**
- **Rollover options that may have no tax implications**
- **Fidelity Rollover Express®** – a fast, easy process for taking control of your retirement savings
- **A full range of investment options** — including over 4,500 Fidelity and non-Fidelity mutual funds, stocks, bonds and CDs

By inquiring about Fidelity, you've taken the important first step to investing for your retirement. Please call us for assistance you may need in completing your application or with any stage of the retirement planning process.

Review your kit and return your application today.
